

**NEW DIMENSION
CRUSHERS**

Introducing
Model 2412-D!

Very Good News for the Small Demolition Contractor!

We are *introducing the 2412-D*,
which is designed for the lighter skid-steers. The 2412-D
carries the same wallop with the *same quality*
as its heavier family of crushers, but *weighs only 850 pounds!*

With the new brick hopper,
it's one smooth motion
from digging to crushing!

Carry to the job site
in your 1/2-ton pickup!

Model 2412-D
Available at an amazing price of \$14,800
